

The Senior Retreat has always been a beneficial experience for the class. It affords them the opportunity to get away from the normal grind of life and experience a retreat with people they may not normally associate with. We strongly recommend that you encourage your student to be a part of this event. Time after time, seniors come back with great stories of adventures, rekindled friendships and experiences with God. The retreat presents a great opportunity for students to connect, create lifelong memories with their friends, and be challenged in their walk with Jesus Christ.

The venue this year will once again be Coker Creek Village in the Southern Appalachian Mountains. www.cokercreekvillage.com Peoria Christian has used this venue for several years and has always found it to be a positive atmosphere. We will leave the night of Friday, August 19th around 7:00 and will return on Wednesday, August 24th in the evening. Seniors will begin class on Thursday, August 25th at regular time.

The cost for the senior retreat is \$250 per student. This cost covers all the activities, lodging, and meals while at Coker Creek Village. Money will be needed for meals going to and from Tennessee while we are traveling on Peoria Charter Coach. The students will need to plan for at least four meal stops on the trip to and from Coker Creek Village.

This year Mr. Friday will be our speaker for the week. Our theme for the school year is “Immovable” which will focus on standing firm in whatever situations the Lord puts us or allows us to be in. And we will start ‘unpacking’ what that looks like in our lives in these days on the retreat – especially in the lives of the student leaders of our school (the class of 2017)!

Mr. Friday would like to add how important it is that all the seniors who can possibly attend are on this trip. He had more than one of his children that wasn’t exactly ‘thrilled’ about going on this trip. But all 4 of them came back so happy that they didn’t miss out on this incredible ‘start’ to their senior year!!!
