

# PCS High School

Welcome to Peoria Christian High School!!

I am excited that you have chosen Peoria Christian High School for your child's high school years. I want you to know that you are not alone as this is my first year at PCS! We will figure this out together! Our teachers and staff are eager to meet you and will partner with you as you seek to grow your child to lead a Christ-like life and impact the world for the Kingdom.

Your child will transform into a young man or a young woman while they are in high school. They will grow and change and will face new challenges that will be a part of their journey as they become the person God is shaping them to be. It is a privilege to be a part of this journey. Please know that we are praying for each of you as you transition.

I know that the beginning of a new school year can be overwhelming at times and especially when starting at a new school. Please know that we are here to help you in whatever way we can. This packet will answer many of your questions. If you need additional help, do not hesitate to call the office at any time. Rachel Killinger is at the front high school office desk. Her email is [rkillinger@peoriachristian.org](mailto:rkillinger@peoriachristian.org). She can also be reached at 686-4500 ext. 227.

I would love to touch base with you also. My contact information is below.

Let's start this journey!
