ALTERNATIVES:
Alternative choices are used if a class will not work with the student’s schedule. Please select 1 alternative for courses for 12th grade only. Please make sure each alternative equals 1 credit. So if you choose a semester class, you will need to choose 2 to equal 1 credit.

DIRECTIONS: Please enter the course names and fill out the 4-Year Course Selection Plan for ALL four years. Each course box should add up to 1 credit (except PE or TA). If you are selecting a semester class, two semester classes will need to be listed in 1 box to add up to 1 credit. Refer to the course description guide for specific courses and credit information.

You will also need to select next year’s courses online. Please return the 4-Year Course Plan form, the Printed Summary Course Page from the Online Course Selection, and the Teacher Approval form and/or release request (if applicable). Incomplete forms will not be accepted. The deadline for all the course selection forms to be submitted is February 3. Selection forms turned in after 3pm on February 3 will require a \$25 late fee with submission.
